# ABOUT ISABELLA

## ABOUT US

With a solid track record of over 16 years in the industry, Isabella Furniture has positioned itself as a national reference in the manufacturing, distribution, sale, and import of furniture. We specialize in equipment for hospitality, catering, events, interior design, and decoration, representing a space of innovation where the design vision and quality of our CEO, David Arrocha, come together.

Since embarking on our journey in 2008 as part of the Isabella Premium Group, we maintain a continuous commitment to offering our customers high-quality products. The combination of innova-

tive design with accessibility has been crucial to the constant success of our clients, establishing a standard of excellence in the industry.

The strategic leadership of David Arrocha has been the guiding light that has directed each phase of our growth, consolidating Isabella Furniture as more than just a company. We take pride in being a brand that not only follows trends but sets them, anticipating market demands with vision and boldness, while committing to surpassing the expectations of our customers.

## THE COMPANY

At Isabella Furniture, we carefully attend to every detail of our products, from the conception of design to the manufacturing phase, adapting agilely to market dynamics and constantly introducing innovative solutions.

With a consolidated experience, we stand out as expert advisors for HORE-CA channel professionals. Our market expertise enables us to integrate the latest trends in decoration and interior design, ensuring that our products not only meet exceptional quality standards but also contribute to leading the landscape of style.

Specialized in the manufacturing of exceptional chairs and tables, our offerings extend beyond, including glassware, cutlery, and tableware, ensuring a variety of options to meet every type of need. At Isabella Furniture, we are fully committed to providing expert advice for every inquiry.

We value every opportunity to collaborate and share our dedication to achieving excellence in every phase of the process, from design development to the delivery of the final product.

## LOGISTICS

The strategic logistics network of Isabella Furniture extends across key areas of the province, such as Campillos, Teba, Málaga, and Marbella. This approach allows us to provide a delivery service that reflects our commitment to efficiency and customer satisfaction.

We manage each shipment with the same precision applied in the manufacturing of our products, ensuring that each item can arrive punctually and in perfect condition. We take pride in maintaining high-quality standards at every stage, from production to the arrival at the destination of each item in optimal condition.

At Isabella Furniture, we are committed to providing total transparency at every stage of our logistics process. We work closely with our customers, fostering open and collaborative communication. This ongoing interaction allows us to understand their specific needs and tailor our services to meet them.

Such a commitment to transparency not only reinforces the trust of our customers but also motivates us to maintain consistent standards of excellence in all phases of our operations, ensuring continuous satisfaction and shared success through our collaboration.

## HEAD OFFICE

Nestled in the distinguished Business Center of Monda, the contemporary headquarters of Isabella Furniture stands as the core of our innovative vision and unwavering dedication to excellence. However, our influence extends beyond offices, shaping trends and setting standards.

Every employee at our headquarters is driven by the mission to bring quality and design to every corner of the world. From the central hub, we not only conceptualize the creation of our products but also breathe life into a unique experience for all our clients.

Our unwavering commitment to excellence is meticulously reflected in every aspect of our comprehensive service, from the initial inception of the idea to the meticulous delivery of the products, ensuring an unparalleled and immersive experience that transcends a mere business transaction.

## NATIONAL AND INTERNATIONAL MANUFACTURING FACILITIES

Isabella Furniture is a prominent HORECA furniture manufacturer with a presence both nationally and internationally. We have strategically located manufacturing facilities in China, India, Turkey, Taiwan, and Vietnam, complemented by national headquarters in places like Cádiz, Sevilla, Barcelona, and Alicante.

This extensive production network allows us to seamlessly blend the excellence of international manufacturing with the personalized attention of our national facilities. From our factories, we conduct a meticulous process that ensures not only the quality of our products but also aligns with the innovative design vision that distinguishes Isabella Furniture.

We consider ourselves more than manufacturers; we are designers of unique experiences for the HORECA sector, dedicated to providing furniture solutions that help transform every business.

From our international facilities, we follow a meticulous process to deliver high-quality furniture solutions globally. This logistical approach enables us to maintain standards of excellence, ensuring fast and efficient deliveries for all our clients.

# PRODUCT GLOSSARY

The image shows an outdoor dining area at night. In the foreground, a round table is set with a white tablecloth, silver plates, white napkins, and silverware. Several blue water bottles and glasses are on the table. A large, tall floral centerpiece with white and pink flowers stands in the center. In the background, more tables and chairs are visible, along with a palm tree trunk wrapped in warm white lights. The overall atmosphere is elegant and festive.

# FURNITURE

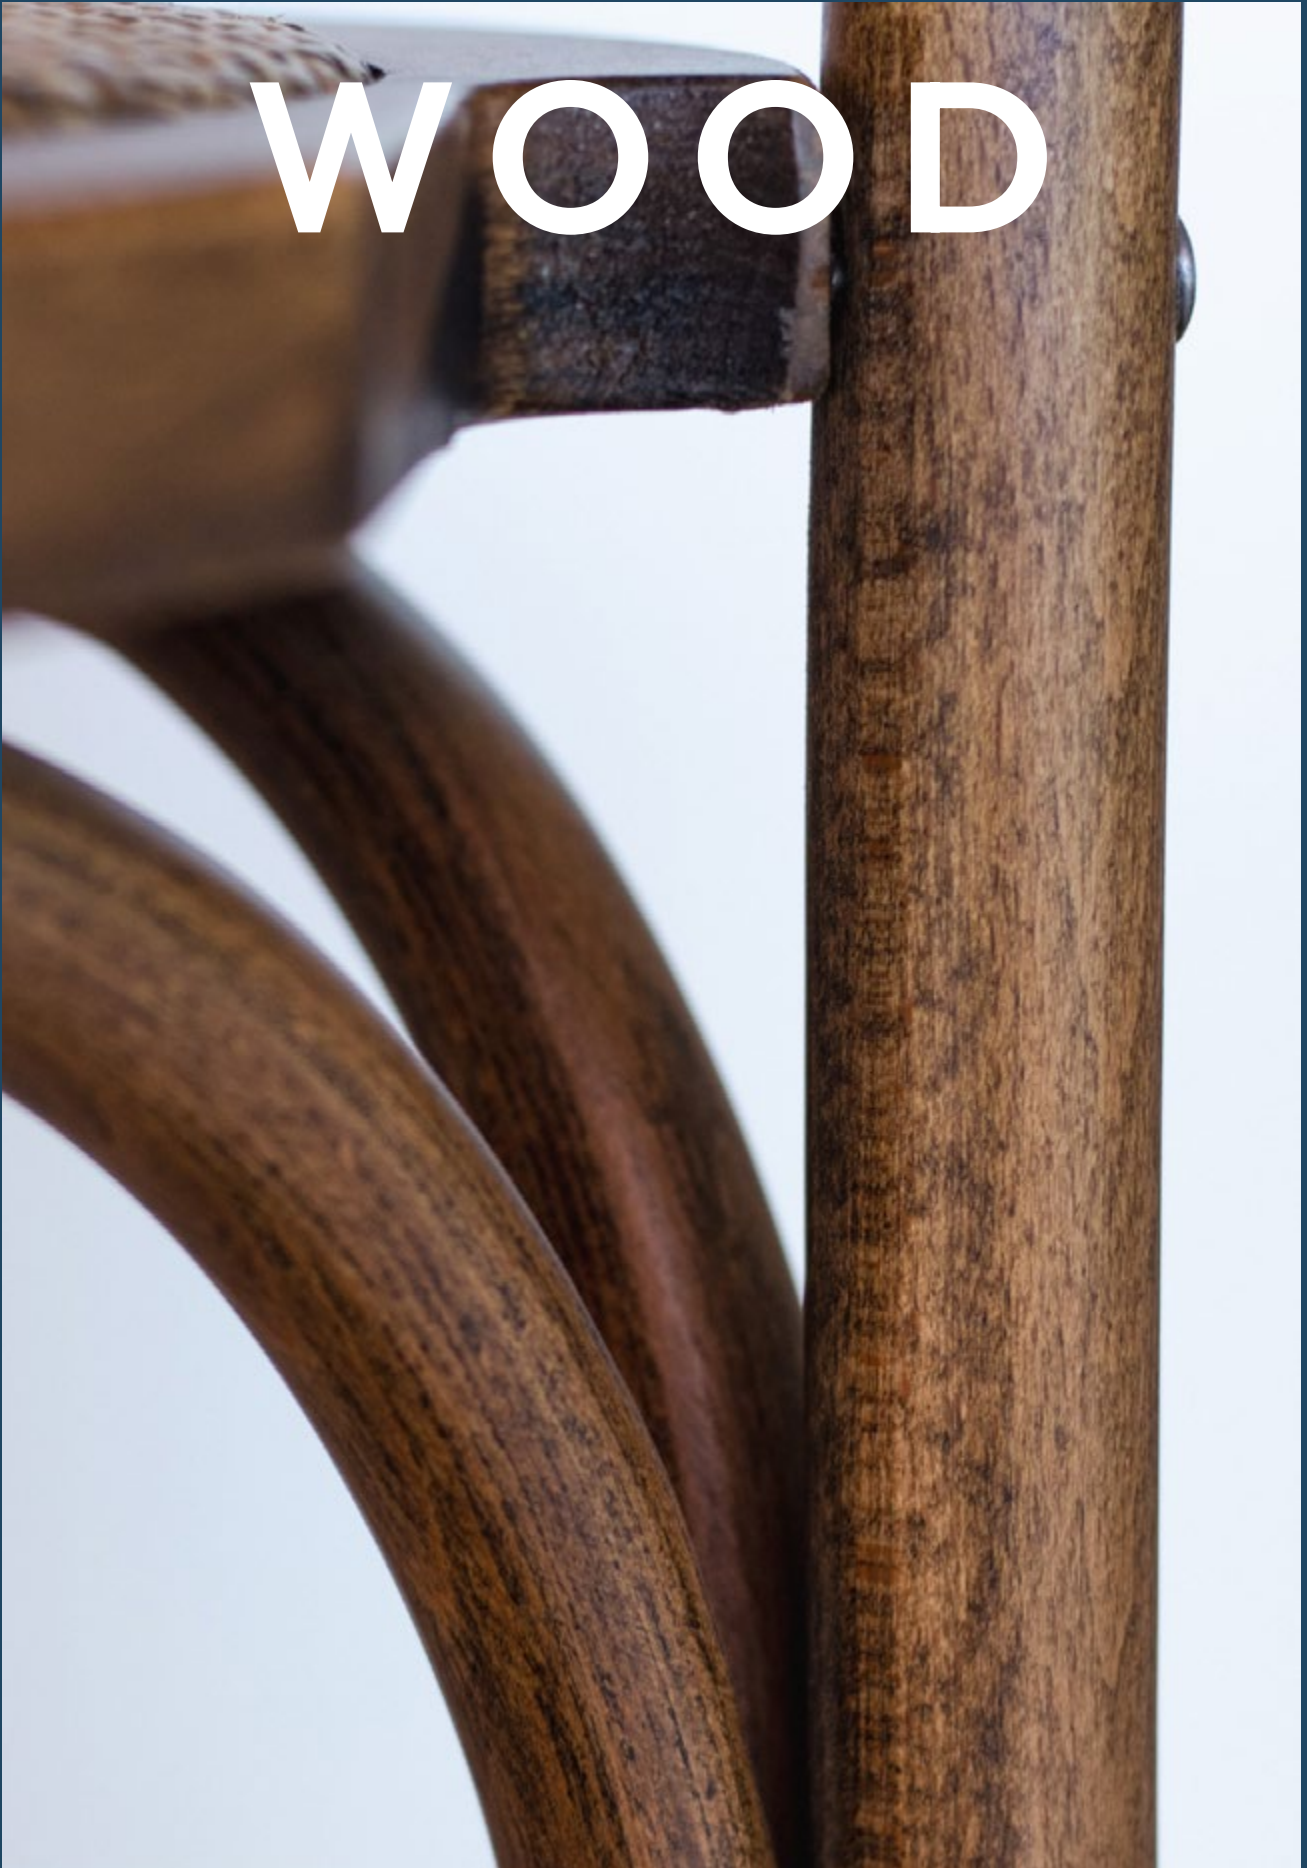

A photograph of a white wicker chair with a cushioned seat, positioned in a dining room. The chair is the central focus, with its intricate wicker backrest and legs clearly visible. In the background, a round table covered with a white tablecloth is partially visible, set with various items including what appears to be a menu or book, a glass, and some napkins. The overall lighting is soft and slightly dim, creating a calm and elegant atmosphere. The word "FURNITURE" is overlaid in large, white, bold, sans-serif capital letters across the upper portion of the image.
